Career Profile

IT Support Specialist with 3.5+ years of experience across enterprise IT and customer service. Skilled in Microsoft 365, Active Directory, Intune, and SCCM, with a record of resolving issues quickly, improving uptime, and automating tasks. Strong communicator with proven success in handling inquiries, de-escalating conflicts, and delivering clear, reliable support to users and customers.

Work Experience

IT Support Specialist, Evertz Microsystems

Jul. 2023 – Present

- Triage and resolve technical issues across on-prem servers and Microsoft 365 for 500+ users, following ITIL practices to ensure consistent service delivery and reliability.
- Administer Microsoft 365 services including Exchange, Teams, SharePoint, OneDrive, Entra ID and virtualization platforms (VMware, Citrix) to ensure smooth, reliable operations.
- Leverage PowerShell, Intune, and SCCM to automate tasks, streamline software/update deployments, and reduce manual effort by 25%.
- Monitored and maintained systems while supporting users, identifying and resolving issues before they impacted operations, improving uptime and user satisfaction.
- Authored 30+ knowledge base articles, reducing repeat tickets and improving overall support efficiency and team productivity.

CSR -Table Games Dealer (PT), Great Canadian Casino Resort

Sep. 2022 – Jun. 2025

- Delivered exceptional service to 100+ patrons per shift, resolving inquiries and de-escalating conflicts to maintain a welcoming and secure gaming environment.
- Accurately dealt various table games while identifying and preventing potential errors or disputes, contributing to smooth operations and customer trust.
- Maintained precise records of cash and chip transactions exceeding \$10,000 per shift, supporting operational efficiency and audit compliance.
- Fostered a positive, inclusive atmosphere by effectively engaging with a diverse customer base, enhancing overall guest experience and table engagement.

Tier 2 Technical Support (Co-op), Evertz Microsystems

Aug. 2022 – Dec. 2022

- Delivered Tier 2 support for 50+ weekly escalated hardware, software, and network issues, resolving incidents faster and reducing repeat problems.
- Streamlined ticket handling and documentation using ITSM practices, cutting average resolution time by 30% and consistently meeting SLAs.
- Collaborated with cross-functional teams and communicated directly with end users to ensure smooth resolution of technical issues and clear understanding of IT changes.

Warehouse Associate, DSV

Jan. 2022 – Aug. 2022

- Executed daily warehouse operations, consistently meeting or exceeding productivity targets with minimal supervision.
- Collaborated with cross-functional teams to streamline workflows, improving order processing efficiency.
- Strictly followed safety protocols and standard operating procedures, contributing to zero workplace incidents during tenure.

Help Desk Technician, iTeam Technology

Sep. 2020 – Dec. 2021

- Achieved a 95% first-call resolution rate for desktop, software, and connectivity issues, maximizing productivity and reducing repeated support requests.
- Managed high-volume ticket queues, escalating complex cases to Tier 2/3 teams while ensuring clear communication and strong end-user satisfaction.

Education

Postgraduate Certificate, Business Information Technology, Seneca College
Bachelor's Degree, Information Technology, Charusat University

Jan. 2022 – Aug. 2023
Jun. 2017 – Jun. 2021

Certifications

Health & Safety: WHMIS & Confined Space Awareness
